# JOZINI LOCAL MUNICIPALITY

## CALL FOR PROPOSALS FOR THE DESIGN AND INSTALLATION OF THE SOLAR LED LIGHTS FOR MKHUZE STREET LIGHTING PROJECT

**JMC004/11/16**

Jozini Local Municipality hereby invites proposals from suitably qualified and experienced service providers with **CIDB GRADING: 3EE PE** for the design and installation of the **Solar LED** lights for **Mkhuze Street Lighting Project**. The following compulsory returnable documents must accompany the proposal:

- Proof of attendance of compulsory briefing session; Company proposal; Proof of Company registration, Proof of registration with all relevant bodies relating to Electrical industry; Proof of payment of Municipal rates; Valid Tax Clearance certificate; Proof of Traceable references; Proof of experience in rendering similar work.

**NB: If any of the above documents is not submitted the bidder will be deemed non responsive and be disqualified from the bidding process.**

Bidders are encouraged to submit a valid original or certified copy of B-BBEE certificate to claim preference points

Scope of work:

- The contracted bidder will be responsible for doing a detailed study of the existing Eskom power supply lights in order to advise the municipality if we can still use the existing wooden poles.
- The contracted bidder will be responsible for a detailed design, and installation of solar LED lights.
- The contracted bidder will be responsible for the construction and connections based on the approved designs by the Municipality.
- The contracted bidder will provide the maintenance plan for installed solar LED street lights.
- The contracted bidder will have to provide the risk plan that is associated with solar LED street lights.
- The contracted bidder will provide Jozini LM with 6 months performance sureties for the product.
- Before execution of the contract the bidder will be required to install a sample of working lights that will be running for five days before approval.

Interested service providers are invited to attend the compulsory briefing session on **Wednesday the 23<sup>rd</sup> November 2016 at 10h00** at Jozini Municipal Offices, Circle Street, Bottom Town, Jozini, 3969 and the closing date for proposals will be Friday the **02<sup>nd</sup> December 2016 at 12h00** **Under no circumstance will late; faxed, emailed or couriered proposal be accepted.**

Proposals will be evaluated in two stages in which the first stage shall be functionality. Only service providers that will submit all compulsory returnable documents will be considered for functionality evaluation process.

**First stage of evaluation: Functionality**

No	Criteria	Points
1.	Names, CV's and qualification of key personnel to be assigned to the project	15
2.	Experience of bidder in implementing similar projects (NB: Company experience)	30
3.	References assertion of bidder performance on previous projects of similar nature by bidder	20
4.	Detailed methodology and project execution plan to ensure success and safety when implementing the project.	35

Service providers will be required to score a minimum of **60 points** on functionality to be considered for the final stage of evaluation. Any bidder that failed to attain the minimum passing score on functionality will be deemed non responsive and disqualified from the evaluation process.

**Second stage of evaluation**

The 80/20 preference points system will be used to evaluate bids for the final stage where 80 points will be allocated for price and 20 points for B-BBEE status level of contributor. The bid will then be awarded to the bidder that scored the highest total number of points.

All SCM related queries for this bid must be directed to **Mr Sanele Duma** on **035-572 1292** and Technical related queries to be directed to **Mr S. Bhengu** on the same number during office hours, our fax number is **035-572 1292**.

Proposals shall be valid for a period of 90 days after the closing date of the submission of proposals.

**MR S.W. ZONDO**  
**ACTING MUNICIPAL MANAGER**
